

March – 19 Newsletter ...Hello April

Dear Friends

Welcome to Hello April, another summer edition from SunShine Foundation!

April is a growing season, the season where the nature opens up, so are our children opening up to enjoy the summer rays waiting to gulp in ice-creams, cold drinks and golla's dipped in their favorite flavored syrup. Our children have finished their final exams and are relaxing with some music, craft and laughter. And we are gearing up for the Annual MASTI Summer Camp – 2019.

We are happy to share that for 9th consecutive years yet again we will be organizing the Annual Summer MASTI Camp – 2019. It will be a five day Masti Camp involving dance, music, art and craft, sports, Zumba and outdoor exposure trip for juniors and seniors. This will be followed by three day Art Attack.

Our Annual Summer Masti Camp is a camp for the underprivileged children who like any other child from our urban society dreams of being part of the summer camps. This also helps the children to do and learn something more constructive rather than engaging themselves in destructive or undesirable activities. We honestly believe that these summer camps express our commitment to create a better tomorrow. Hence educating and engaging our children in the right appropriate activity is our topmost priority.

In our continued initiative we hope and pray that you will join us in our mission in organizing the Annual MASTI C amp – 2019. We seek your help in raising funds for this Mega event. You can either sponsor one or few children to the event or chose to sponsor any one or few items from the budget list Or just share it with the one who can sponsor us. Please do your bit in being a Ray of Smile in these children's life this Summer Vacation. Do write to us at sunshinefoundation2009@gmail.com or call us at 0712-..... to receive a Copy of MASTI's Tentative Budget

➤ ART AND CRAFT CLASSES @ SUNSHINE FOUNDATION

Last few months our children have been working step by step to make beautiful vases and pots using cardboard and ceramics. Each step in this art of making a perfect piece requires a lot of time and patience. And our Art teacher Javed certainly has the patience to sit with the children and carve each piece into beautiful décor for your home. We will be exhibiting a few during the MASTI. The good news is that our children, especially the girls have tried making these pots at home and gifted it to their friends and relatives.

➤ DISTRIBUTION OF HANDBAGS TO OUR JUNIORS

Our little ones following the footsteps of their seniors have also taken to doing their bit to bring laurel to SunShine Foundation. In a recent such event they won the first prize which included a cricket set, football kit and few indoor games. Well our little girls were happy but bit upset with the content of the gift. So to raise their spirits and as a gift for their untiring efforts we distributed 10 fancy sling bags. No doubt at all...we saw the girls beaming a Colgate smile slinging across their bags and posing for the perfect shot.

➤ DISTRIBUTION OF SNACKS @ SUNSHINE FOUNDATION

Ms. Farheen and her team donated Sugar and bornvita for our children. Biscuit packets were given to the children.

➤ DANCE CLASS @ SUNSHINE FOUNDATION

The Children were bored so we decided to hold a dance competition. This fun filled dance competition was a respite for the children. They loved every bit of it.

➤ CELEBRATING HOLI @ SUNSHINE FOUNDATION

During the month of March celebrate, we celebrate the festival of colors “Holi”. Since we educate our children on being environmental friendly we opted to let our children play with colors on papers allowing them to play with their colorful imagination. The result was some of the best paintings. The winners First – Pallavi, Snehal and Khushi

➤ LEISURE TIME @ SUNSHINE FOUNDATION

Our children bagged first prize at Ramdev Baba Collage Event. They together were happy to unwrap them and even played together for sometimes with their friends.

➤ **MEDITATION @ SUNSHINE FOUNDATION**

Through meditation we help our children to control anger and also develop a good bonding with each other. These sessions has calming effect on our children.

➤ **PARENTS MEETING AND EKLAVYA ENGLISH PROGRAM**

During the month of March Parents meeting was held. After the meeting with Vaishali the parents witnessed the Eklavya English Program. The children under the Eklavya Program performed a skit in English and sang a song. The parents were happy to see their children speaking in English.

➤ **DISTRIBUTION OF SNACKS @ SUNSHINE FOUNDATION**

Every weekend children are given snacks after their sessions.

➤ **DISTRIBUTION OF SUPRADYNE, MULTI-VITAMIN TABLETS @SUNSHINE FOUNDATION**

The first week of every month children are distributed Multi-vitamins doses for the month for their overall health benefits.

Here ends our activities update held during the month of March'19.

In conclusion we also would like to share that we celebrated Holi – the Festival of Colors with our children at our networking center Balvikas Kendra. The story of victory over Evil was told. Later the children played Holi with Suraj, their regular mentor from SunShine Foundation. He distributed snacks and banana before leaving.

Before I say good bye, I once again remind and request you consider donating towards the Annual Summer MASTI Camp – 2019. Further enquires please call us on 0712- 2527693.

Thanks for Reading!

Regards and Cheers

SunShine Team
